

LET'S JOIN FORCES

TO SHRED OLD GOVCON PRACTICES AND BUILD A NEW FEDERAL ECOSYSTEM AND COMMUNITY!

WHAT IS THE SHRED?

THE SHRED is a video + event series that serves as the first-ever federal government contractor Salon, creating more thought-provoking and intelligent discussions across our ecosystem.

Through these videos enabled by our SHRED Sponsors, we create a space where federal and industry join together to learn, generate new ideas, and stimulate collaboration

WHY SPONSOR?

INCREASE SUPPLIER DIVERSITY

Aid in improving your community by becoming more intentional about your diversity, equity, and inclusion (DEI) efforts.

EXHIBIT YOUR CULTURE

Tell the GovCon ecosystem that your company is an engaged stakeholder who is connected, curious, and eager to learn more.

PROVIDE OPPORTUNITY

Connect with potential teammates, recruits, or partners without ever leaving your office.

LOGISTICAL CONSIDERATIONS

Part 1: Video. The SHRED is a video series hosted by Lisa Shea Mundt and Amber Hart of The Pulse of GovCon to discuss pertinent Government Contracting best practices to educate the masses. As a Sponsor, there is no need to worry about the videography, film location, lighting, or editing process – we will take care of all that! We only need a high-resolution logo and your input on topics that impact your firm. Talking points will be provided to the Sponsor in advance of filming. The Pulse will utilize paid advertisements to maximize video viewership.

Part 2: Event. Adding an event to the format is a significant differentiator to GovCon media. An event shows it's insufficient to complain about a problem – we must collaborate to find solutions. Events include curated prompts for participants to discuss with their peers. By sponsoring an event, your firm will host viewers of The Shred in your space with The Pulse as your MCs. The Sponsor will handle registration. The Sponsor must provide food and drink. The Pulse will coordinate with the Sponsor POC to determine the appropriate size of space and seating configuration.
